Dear Mr. Kevin Wayne Johnson,

Thank you for your participation in the U.S. Department of Transportation's (DOT) 7th Annual Acquisition & Financial Assistance Conference. The theme for this year's conference was *Delivering innovative, efficient, mission-essential outcomes*. The event was a great success and could not have taken place without your individual efforts and support. Your breakout session and panel advanced the expertise of our workforce and, consequently, opened new opportunities to build an innovative contracting space.

Again, I would like to thank you for your participation in this year's conference and I welcome your continued engagement as we highlight opportunities regarding the future of the DOT acquisition discipline.

Sincerely,
