

Title: The Fifteen (15) Invaluable Laws of Growth

Goal: Live Them and Reach Your Potential

Target Audience: Mid-Level and Senior-Level Leaders

Description: Are you or your team struggling to grow? Are you challenged with reaching your true potential? Well... this keynote and/or workshop will expose you and your team to several strategies that will help you to break through to success. I will cover the following 15 Invaluable laws of GROWTH from John Maxwell's NY Times best-selling book:

The Law of:

1. Intentionality – Growth does not just happen
2. Awareness – You must know yourself to grow yourself
3. The Mirror – You must see value in yourself to add value to yourself
4. Reflection – Learning to pause allows growth to catch up with you
5. Consistency – Motivation gets you going, Discipline keeps you growing
6. Environment – Growth thrives in conducive surroundings
7. Design – To maximize growth, develop strategies
8. Pain – Good management of bad experiences leads to great growth
9. Ladder – Character growth determines the height of your personal growth
10. The Rubber Band – Growth stops when you lose the tension between where you are and where you could be
11. The Tradeoffs – You have to give up to go up
12. Curiosity – Growth is driven by wanting to learn more
13. Modeling – It is hard to improve when you have no one else but yourself to follow
14. Expansion – Growth always increases our capacity
15. Contribution – Growing yourself enables you to grow others
